# Opportunities for RESEARCH INTERNSHIPS IN SCIENCE AND ENGINEERING In India

Indo-US Science and Technology Forum (IUSSTF) announces the **Research Internships in Science and Engineering (RISE)** to provide unique opportunities for science, technology, engineering and medical students from the United States to undertake internships in national laboratories, federal research centers, academic research institutes, and private R & D laboratories in India. Objective of the internships are to provide students exposure to Indian S&T milieu, gain practical skills and develop collaborative networks. Internships are envisaged as a source of mutual cultural and professional enrichment for both the interns and their host institutions.

#### Internship duration

- 3 months

#### Internship provides

- Monthly stipend • Accommodation • Airfare

#### Eligibility

- U.S. Citizens or permanent residents and Indian Citizens
- Open to science, engineering, technology and medical disciplines
- Ph.D and Master students currently enrolled at a regionally accredited institution of higher education in U.S.

**US institutions interested in sending students and Indian institutions interested in hosting under the RISE program may contact us.**
